

Problem proposal form JBMO 2026

write country code and problem number here (e.g. ROU 1)

Problem

Write the statement of your problem here.

Solution

Write the solution here. Please be careful not to write the solution on the same page as the problem.

Remarks

You may put some general remarks regarding the problem here. If you wish, you can explain the motivation behind the problem and/or the solution. You may also suggest a position on the test that you think this problem is suitable for (e.g. problem 1).
